

## Camp Needs and Wishes

### COMPREHENSIVE LIST TO IMPROVE the Living Well Village

#### **We dare to DREAM for what we REALLY NEED—**

- Paved roads so area is accessible to all campers including handicapped and elderly **\$120,000**
- Fence around property to provide safety for campers—try a “Go Green Campaign” to road or construction crews that use fencing to give old fence to us and they receive a tax deduction—  
We need to provide for the security of children! **\$300,000**
- An “All Weather Activity Center” used as a safety shelter and indoor activity area during inclement weather **\$2.5 million**
- Small cabins/yurts around the 3 mile trail for adult/family retreats. These would have bedroom and bathroom only with large windows to view nature. **\$600,000**
- Pavilion by the Education Building for covered space in inclement weather. **\$70,000**
- Update Nature Center **\$10,000**

#### **Imminent Needs**

Renovate “Misty Mountain”  
Central fire alarm system  
Portable misters at the field  
Bobcat for road work

#### **Construction**

Siding on 12 cabins—match ridge cabin  
Small building for permanent file storage  
Windows 4 buildings-GH, MM, Swamp, Cabin 3  
Gutter Guard and down spouts to flex hose to drain at HC, Cabin 1, 2, Ridge, S and BH  
Replace wood panel ceiling in HC  
Storage building for tables and chairs near Dining Hall  
Moisture barrier RFP in kitchen and bathrooms  
Tear down Stars Studio  
Check stability of porch on Dew Drop  
RFP in DH and bathrooms  
Door replacements for Dining Hall

#### **Landscaping**

Replace retaining walls---Comm, 4 Base cabins, shed, pool, GH  
Make spring “Green”—natural landscape  
Three mile trail each spring  
Landscaping with trees--3 holly trees at monument  
Signage at road  
Sand for volleyball court and “dig”  
Take out all port-a-potties and replace with mural art  
Lattice under base cabins for safety

## **Flooring**

- Vinyl flooring in 10 bathrooms
- Vinyl tile in 3 cabins
- Flooring epoxy paint in two cabins
- Flooring in Ed bldg needs repair in storage area
- Floor in Dining Hall--Buffer to care for tile floor?
- Stage (portable) for aerobic instructor or large presentations

## **Plumbing**

- "Misty Mountain" kitchen and bath (need remodeling)
- Washer and dryer in ridge—need plumbing
- Fix pool shower and replace water heaters with solar

## **Roads**

- Pave roads or gravel every year---need Bobcat
- Additional Parking—great to use area if we can close lagoon
- Parking blocks
- Parking lot near Health Center
- Two additional drive paths between base cabins 2-3 and before 1

## **Security**

- Move front gate with automatic opener
- Fencing around camp with No Trespassing posted

## **Waste Treatment**

- Hook up sewer and close lagoon for parking
- Fix sewer line around creek

## **Water Supply**

- Dining Hall hooked up to public water supply for drinking water when suburbia arrives
- Water pressure improve in Blackhawk

## **HVAC**

- Heater in Misty Mountain cabin with propane tank
- HVAC units need replacement in Health Center, ridge cabin & Dining Hall

## **Pool**

Swimming pool improved—liner, filter, pool cover, solar hot water heater, vacuum for pool

## **Transportation**

- Golf cart x 2
- Bucket truck
- 15 Passenger van
- Sturdy, strong truck

## **Communications**

- Install phone landline to pool for emergencies.

Check all wires---phones should work but not consistent/dependable  
Remove overhead lines if not operational  
Set up new email for reliability

## **Equipment**

\*Computer system is wireless now—need 6 laptops  
Video equipment—projector, screen  
Small stage for presentations in Dining Hall so audience can see  
Sofa-sleeper QUEEN size for nurse's room  
Chair-sleeper x 2 for teacher bed in ridge cabins  
AED for field  
GPS units for orienteering for 25 kids  
Pads for sand volleyball poles  
Aerobic equipment—weighted rods, raised floor for instructor

## **Appliances**

Stove for Misty Mountain  
Washer/electric dryers  
Dishwasher  
Microwave  
Large generators X2  
Gas insert in Health Center fireplace

## **Improvements**

Real rubber track at field so kids do not twist ankles  
Blackhawk and Shawnee flooring and room facelifts

## **Supplies**

7 new video game systems Xbox or Wii with games in Ed Blding  
New hospital mattresses for all the beds---160 total (complaints on mattresses by adults)  
Kiln accessories/ building for pottery studio to be used for Cancer Camp  
Vacuums x2  
Chain saw  
Chipper for tree limbs

## **Maintenance**

Air filters and light fixtures  
Indoor and outdoor paint  
Nature Center and Living History Set-up  
Plane wing with seats for crash simulation

## **WILD WISHES:**

Skid steer  
Excavator  
Bull dozer  
Climbing tower with lake swing  
High challenge course with Zip lines  
Tennis courts (35 x 66)  
Sports courts by dining hall and Ed Blding (see tennis court)

Remote tent camping area with unique facilities—wagons, teepees, etc
